BULL&HUNT Speedbag cross

The small BULL&HUNT Speedbag cross fold-over bag is made of washed and hand-waxed buffalo leather in vertical messenger format. Its compact dimensions and long shoulder strap make it ideally suited for the urban jungle.

The BULL&HUNT speed comes equipped with a reversible fold-over flap. The bag thus has two different front views. Other features include a lockable main compartment, various pockets for a mobile phone and wallet, as well as an integrated key finder.
