## Victorinox Wine Master

Fine wine deserves a tool that was created with perfection. Meet our Wine Master – the trusted companion for professional sommeliers and amateur gourmets alike. Its viticultural credentials are world-class and do your fine wine the honor it deserves. An extra-long corkscrew with five coils prevents cork breakage, plus a unique combination tool houses a two-step lever for uncorking and a bottle opener. The integrated pocket knife has a wavy-edged beak blade foil cutter and a large locking blade, ideal for cheese or your favorite culinary tidbits. Smart and seriously wine-savvy.
