### **Weber® Q 3200 gas barbecue, Black**

This stable cast aluminium gas barbecue combines stylish, well-conceived design with a high degree of functionality. With its permanently attached cart, high lid, practical handle light and folding side tables, the Q 3200 is not just an eye-catcher on any balcony or terrace but also a real space saver. The two burner system for direct and indirect cooking and two-part grill grate with Flavorizer bar make the compact barbecue perfect for cooking large amounts of food and ideal for parties, family celebrations and garden events.

A true barbecue master

Culinary delights and perfectly cooked food are achieved through the two infinite control burner valves and warming rack. Thanks to the folding side tables, which can be used as a storage area if required, and the small external dimensions the gas barbecue can be stored in a space-saving manner. The gas bottle can be easily stored on the bottom of the cart. The electronic ignition provides safe and comfortable lighting - for fast and reliable grilling pleasure.
