### **Caran d'Ache 849 Ballpoint Pen, White and OFFICE A5 Notebook, Red**

This set consists of an elegant notebook and ballpoint pen and is aimed at all lovers of handwritten records. 192 pages of high-quality warm white paper offer space for recording thoughts and to-do lists. The bookmark can be used to ensure that important notes are quickly found again. The minimalist design transforms the notebook and ballpoint pen into beautiful objects for the office and inspires their owners to pursue new trains of thought.

Elegance for home and office

Devoting themselves daily to the art of drawing and writing; crafting the finest writing instruments; and creating the most luminous colours: this has been the century-long focus of the Maison Caran d'Ache in Geneva. Keenly aware of the need for artistic expression spanning from childhood to adulthood, as well as when it comes to the most demanding creative professionals, the manufacturer perpetuates its unique know-how and commitment to Swiss quality and sustainability with consistent care and expertise.
