### **Victorinox SwissChamp Pocket Knife, Red**

A multi-tool that every adventurer should own: The SwissChamp pocket knife is a small wonder and impresses with 33 functions to help you be prepared for any situation, whether indoors and outdoors. The rust-free material means that the knife will be your lifelong companion. All kinds of uses and possibilities have been considered. For example, it has a fish scaler for a fishing expedition, a screwdriver for spontaneous repairs or a can opener for a camping trip.

All in one, always close at hand

With its handy size and popular Swiss logo design, there is a place for this functional Swiss Army Knife in any bag. The ring can be used to attach it quickly to a rucksack, belt loop or spring hook. Victorinox develops and sells unique products around the world, which can be used in many life and everyday situations: Swiss pocket knives, household and professional knives, watches, luggage and fragrances. They make no compromises when it comes to quality.
