### **Bosch Universal GardenTidy Garden Vacuum, Green**

Blowing, vacuuming and shredding - the UniversalGardenTidy is a 3-in-1 solution for efficient tidying of garden waste. The multi-functional ProSilence garden tool works with an exceptionally low noise level of only 99db (A). The moisture- and dirt-repellent collection bag ensures that water and dirt are diverted to the ground. A metal fan provides optimum performance for longer operating times, and its larger volute makes clearing blockages easy and safe. With fully variable speeds in both blow and vacuum mode, garden tidying is flexible and efficient.

#### **Details**

- \* Size (W x H x D): 36.6 x 29.4 x 50.5cm
